

Yuppie Puppy Code of Ethics

1. To keep concern for the welfare, health and safety of the pets under our care the topmost priority of our work.

2. To treat the pets in my care at all times with attentiveness, kindness, patience, and respect.

3. To conduct business with honesty and integrity, toward customers and their pets, and toward other grooming, boarding, pet care professionals, and toward ourselves.

4. To continue to seek knowledge and resources that will contribute to my skills and to my ability to care for our client pets.

5. To contribute, to the growth and improvement of the Pet Grooming profession.

6. To offer other pet groomers, whenever possible, the human support and encouragement that we need to feel a part of this professional community.

7. To provide education to my customers and to the public on proper grooming care for their pets.

8. To treat all people and animals as we would have them treat us.
